BECOME A VITA VOLUNTEER

Serving as a VITA volunteer is more than just doing taxes. It's an opportunity to help low-wage, working families keep more of what they earn. In 2022, our volunteers prepared more than 5,800 tax returns, lower than our average of 6,500. We have consistently put more than \$9 million dollars back into our 10-Parish community, making individuals and families more financially stable.
